MEET VF

UK band 'VF' serve up a fusion of '90s and Y2K Hard Rock, Funk, Hip-Hop, Grunge, and Nu-metal, delivering a stream of epic riffs, killer licks and driving beats that get heads banging for all the right reasons. Teaming up with legendary producer Nick Tauber (Thin Lizzy, UFO, Toyah, Def Leppard), VF is channeling '80s and '90s influences into a fresh, undeniable sound. They're not just bringing it to this decade, they're shaping it.
